

Free Education Apps for Android Tablets

Penn Manor School District IT Services – <http://www.pennmanor.net/techblog>

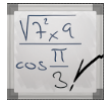

Google Play hosts over one million apps. Here are 18 apps to get you started. Simply search for the app by name in the [Play Store](#) to download and install!

Mathematics

Math Practice Flash Cards

Create your own math flash cards with each operation.

My Script Calculator

Perform mathematical calculations using your own handwriting. This app converts symbols and solves calculations that you wrote with your finger instantly.

Factor Samurai

Much like the game *Fruit Ninja*, students use multiplication and division strategies to cut down numbers to their prime factors.

Science

NASA

Explore over 157,000 images from NASA's database. Find videos, images, current mission info, and up-to-date NASA news.

Planets

3D guide to the solar system for aspiring astronomers. The 3D view of the sky makes it easy to identify planets and constellations.

Kids Science: Measure Lite

Young scientists learn to analyze the physical world by measuring across a variety of domains, time, size, weight and money, using a tape, a scale, a clock and coins in 20 exercises.

Super Teaching Tools

Socrative

Turn any smartphone, tablet or laptop into a smart clicker. Run Socrative off a web browser, students run it off their tablet or laptop.

Remind 101

A safe communication tool for teachers to send text messages to parents. One-way texting only, the parents cannot send a message back.

StopWatch and Timer

Count down and count up with this useful timer app. An easy-to-read and simple timer with large digits and a full screen mode.

Reading and Language Arts

Poetry

The Poetry Foundation's app turns your Android device into a mobile poetry library.

Aesop's Fables

A collection of fables credited to Aesop, story-teller from ancient Greece. Popular fables such as The Tortoise and the Hare and other moral stories are included.

Writing Prompts

Prompts in multiple genres, ranging from personal journal-like prompts to science-fiction story starters. Pick a category, or find random prompts in any category. Use wording of the prompt to start a story, or use the idea to spark a new creative flow.

Social Studies

US Constitution

Searchable US Constitution and Articles of Confederation, plus the Gettysburg Address, MLK I Have a Dream, Declaration of Independence, and other documents.

Google Earth

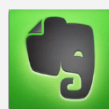

Fly around the planet with a swipe of your finger. Integrated Google Maps Street View allows you to explore the world at street level. Browse layers including roads, borders, places, photos and more.

Countries of the World

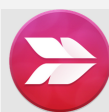

Learn about the countries of the world - capitals, populations, languages, GDPs, religions, flags & more. Test your knowledge of world geography with quiz mode. Audio is included to help with pronunciation.

Organization and Note Taking

Evernote

An easy-to-use app that helps you remember everything across all of your devices. Take notes, capture photos, create to-do lists, and record voice reminders.

Skitch

Communicate ideas in an instant. Snap a photo, mark it up, and send it on. Use Skitch to mark up a PDF, snap your screen, annotate a photo, or create something new with a blank canvas. Annotate images with arrows, shapes, text and more.

EasyBib

Create perfectly formatted citations in MLA, APA, and Chicago style by scanning the book's bar code or typing the name of the book into the app.
